# Certificate IV in Personal Injury Management (Return to Work)

The Certificate IV in Personal Injury Management (Return to Work) is designed for people who have an interest in, or responsibility for, assisting injured workers with a safe and early return to work—a process that benefits both the worker and employer.

The eight modules include online learning resources, quizzes and discussion forums led by a facilitator with expertise in the topic areas.

## Certificate IV in Personal Injury Management (Return to Work)

Upon successful completion of all eight modules, participants will fulfil the requirements of the nationally recognised qualification and be awarded the Certificate IV in Personal Injury Management (Return to Work).
